

Minnesota-Wisconsin
Baptist Convention

MWBC

How is it possible that in North America - the land of promise, possibility, and plenty - millions of children go to bed hungry each night?

Hunger is everyone's problem

Several of our MN-WI Baptist Convention churches are involved in LOCAL food distribution through their own food pantries. Their objective is so that in the process of distributing food, the gospel can be shared with people in need. It takes more than a meal to feed a soul, but a meal is still a good start.

We are promoting a convention-wide food drive to help support these churches. Please prayerfully consider what you and your church will do to love these communities through the gift of food.

You can easily participate:

- Promote within your church family the food collection drive
- Collect canned and boxed food on the lists provided
- Collect money donations to purchase special food items
- Deliver your collected donations to the church of your choice on our list that already has food distribution to those in need
- NO NEED to bring it to the convention office, you can present your collection to the church itself from the list
- Begin today and let's see what we can do together to change lives
